SELLING WITH FABICK CAT

BENEFITS

- » More money in your pocket
- » Current market-based price appraisalment
- » Free advertising to Fabick Cat's clients, Cat® dealers, and listings on MachineryTrader.com
- » No risk of unknowingly taking a low price due to a soft auction
- » Accurate machine inspection and identification
- » Competitive financing
- » No negative equity
- » Reduced monthly payments with refinance assistance
- » Sales proceeds can be booked as "trade in"
- » All machine makes and models accepted

BUYING WITH FABICK CAT

ADVANTAGES

- » Access to a wide variety of makes and models
- » Locate equipment within Fabick Cat's territory and international client base
- » Finance at competitive or below market rates
- » Comprehensive condition reports to qualify potential purchases
- » Extended or additional warranty options
- » Repairs, optional equipment and warranties can be packaged into a single transaction
- » Freight and shipping services
- » Large inventory of high-quality machines operated in the Midwest

WHY FABICK CAT?

Experience hassle free machine sales with a consignment program tailored to your needs. Maximize your net return by letting our team provide targeted marketing and world class equipment service to prospective buyers. With 37 locations across Missouri, Illinois, Wisconsin and Michigan, and a trusted network of Cat dealers, you can have confidence that your machine will sell quickly with less risk to you. Let Fabick Cat put our knowledge and expertise behind your sale, we'll make it *easy*.
